Ian

For your information and guidance I have checked with the suppliers in Nola and here is following info:

As Kevin Mclarney advised he needed the contact details from the suppliers in order to apply for a waiver for the vessel AINAZI.

Stone advised they were just delayed again most likely the weekend there is no way they can do the 7 – Scott Grant phone 504 366 3401

Chevron – advised they are looking for resupply not quoting LS MGO at this time – Contact details if needed Danny Fetzer phone no. 832.854.2875

Bomin - advised their earliest eta January 12<sup>th</sup> must decline – contact details Marcy Bryant 281-459-5101

Kind regards,

Joanne

Apologies, me again.

For the Ainazi it looks as though she may be struggling with her current ROB of LSMGO to make it to SW Pass outbound from New Orleans.

Can we just double check again with suppliers if anyone able to do her stem at New Orleans outbound on 5<sup>th</sup>, or even just the LSMGO.

Ian
